Hey! I was just reading a note of Mark's & I got the idea  that I might write you. Brilliant huh? I hope my mom goes out today so I can call Cindy. I didn't get to talk to her very long yesterday. I have to be home by 4:30. If we march late and you have to play some people off then I'm just barely gonna make it. We're checking papers right now. It is very difficult to check a paper (especially Sonya Shaw's) when you're writing a note and talking to Mark! He got mad at me for giving her his paper cause she ~~can~~ won't cheat. Anyway, if I call my mom and tell her we're gonna be late she'll pick me up but if I'm late she'll bitch me out. Looks like we're (I'm) caught between a rock & a hard place! I hope my mom straightens up her act. I'm gonna go crazy. Wanna come? (I'm flunking my test. Mark can only cheat on so many. Now you know why I was asked to go into honors.) Now I know why Cindy's crazy. Her mom's bitched at her for the past 3 years. Member when Mark walked by this morning and I tried to hide? It

didn't work. He saw me. I don't care.
I go to geometry next. I'm surprised
my mom don't come up and sit in the
back of the class. She's weird. I mean I'll
probably get griped out if I don't go tonight.
but if I call you or Cindy I will get
bitched out. Strange, huh? I guess I better
sign off. Don't you just love listening to all
my problems? Sorry.

Gotta go
