

T. Bean.

Hey! Nifty way to fold notes huh? I  
bet you know, you just forgot. Guess what  
I found out? Only 1, get this 1 year is  
supposed to be taken out of C Band to go to B.  
Paddy told me this ~~is~~ scared the living  
HELL outta me. Dandra Mountain (?) is  
moving so there'll be one extra place. I wish  
so much I didn't play the flute. What  
means I have to make 1st chair. I have  
no choice in the matter. He still might  
not put me up even then. HELP!.....  
Let's we march late today. And tomorrow  
morning. Ya know I didn't even find out  
about the engine until 2nd. I swear they  
never tell us anything in band.  
Wish I could write more.

Love  
TB
