Hey! I'm sitting here in H.R. listening to "Jetliner" on the radio. I was practicing until I heard that. I wish they'd play something else good. It's been so long since I've heard it. It's over, I hope we don't play off this morning. I don't know if I can get the run in Meddemeier. If (your songs on the radio. Don't you wish you were here. (Reminiscing) I try it and don't get it he'll count off real bad and I can do it. I don't think Brandy's doing it and if I get it well... I'm scared cause there's so much riding on this playoff. I can do everything else real good I just have bad breath control and if I'm nervous well that'll ruin the Presto in Off. We're fixing to get out of here. Root for me. I'll need it badly. Gotta go.

Love
