

Kelly'

Hey! I decided to write ya. Gotta stop now 'cause coach just came in. Exciting huh! My locker hasn't been decorated yet. I went to Shannons after 1st #11 was chock full. Molly's gonna love # when ours gets done. We've got 800 books in there. Sharon knows who my "big sis" is. You probably do too. I don't care though. She "said" its not her, Bucket, or Gayla. She said I know her & like her. I can't think of any Jr. or Sr. girls I know. Oh well I ain't worryin'. After 1st I was complaining 'cause I bit a hole in my ~~jaw~~ jaw (mouth?) and Sharon says "That's all right, Kelly'll make # better. I should know." I almost cracked up. I thought # was hilarious. She wants me (and you) to sit by her on the bus to Palo Duro. (or Amarillo or whatever) I said I'd talk to you. She said Buckets riding on #4 too. I just wanna ride on the bus Gayla rides on. Oh well that's a long time away. I got my note from my "Big sis" at lunch. She's a little P.O.ed 'cause I always come to

my locker. I gotta tell her when she
can decorate it. I gotta remember to
ask you if you have time to take me
home today or not. I have to call my
mom to tell her whether to pick me up
or not before 5th. I've also gotta change
clothes 'cause I don't think it's gonna
be raining. Don't I have great grammar?
I have to write "Big Sis" as a letter
go. Believe it or not I'm also doing
classwork. C-ya later. Take it easy

Love you just again
Love
