

Debbie,

Hi! Did I freak you out during band? I couldn't get that coat during 2nd, so I got it during 3rd. I forgot that we didn't have to use our books today. Maybe if we both try real hard, we can persuade your mom to let us go out for a Coke after the concert tonight. Maybe.

This shirt is bugging me to death! Oh yeah, last night I was listening to one of Ted Nugent's live albums, and he was saying, "Nobody in here wants to get mellow, do they?" Crowd, "NO!" Ted Nugent, "Well if you want to get mellow, you'd better get the Fuck out of here!!!" I almost died laughing when I heard that! Well, muchacha, the bell is about to ring, so I'd better fold this note -

Bye

Bye,

Love,

Kelley
